3. GENERAL CONDITIONS, TERMS, LIMITATIONS AND REQUIREMENTS

3.1 Proposal as Offer to Contract. Any supporting documents or other items attached as exhibits to this RFP shall be incorporated into the Contract. 3.2 Freedom of Information Law. All proposals submitted to the Trust in response to this RFP may be disclosed in accordance with the standards specified in the Freedom of Information Law, Article 6 of the Public Officers Law of the State of New York (“FOIL”). A respondent may provide in writing, at the time of its submission, a detailed description of the specific information contained in its submission which it has determined is a trade secret and

which, if disclosed, would substantially harm such entity's competitive position. This characterization shall not be determinative, but will be considered by the Trust when evaluating the applicability of any exemptions in response to a FOIL request.

3.3 Participation by New York State Business Enterprises. Respondents are strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Respondents must therefore demonstrate their commitment to the use of NYS businesses by indicating whether they will use New York State businesses in the performance of the Contract. If Respondents do intend to use NYS businesses, kindly identify those NYS businesses that will be used and attach identifying information.

3.4 Contractor Requirements and Procedures for Participation for Participation by New York State Certified Minority and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women.

3.4.1 New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, the Trust is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("M/WBEs") and the employment of minority group members and women in the performance of the Trust contracts.

3.4.2 Business Participation Opportunities for MWBEs: For purposes of this solicitation, the Trust hereby establishes an overall goal of thirty percent (30%) for New York State-certified Minority-owned Business Enterprise ("MBE") participation and New York State-certified Women-owned Business Enterprise ("WBE") participation (based on the current availability of MBEs and WBEs). The Consultant must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that the Trust may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required M/WBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Trust will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

3.4.3 The respondent understands that only sums paid to M/WBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be twenty five percent (25%) of the total value of the contract.

3.4.4 In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with

the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and the Trust may withhold payment as liquidated damages.

3.4.5 By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Trust.

3.4.6 Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. A Subcontractor Utilization Plan with their proposal. If Respondent’s proposed Subcontractor Utilization Plan provides for less than the stated goal in the RFP, Respondents must also submit an Application for Waiver of MWBE Participation Goals in support of the proposed goal. Any modifications or changes to an accepted Subcontractor Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised Subcontractor Utilization Plan and submitted to the Trust for review and approval. The Trust will review the submitted Subcontractor Utilization Plan and advise the respondent of the Trust acceptance or issue a notice of deficiency within 30 days of receipt.
- B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Trust at Pier 40, 353 West Street, 2nd Floor Administration, New York, NY 10014, 212-627-2020, Attn.: General Counsel, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Trust to be inadequate, the Trust shall notify the respondent and direct the respondent to submit, within five (5) business days of notification from the Trust, additional information to cure the noted deficiency. Failure to cure noted deficiency in a timely manner may be grounds for disqualification of the proposal.

3.4.7 The Trust may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an Subcontractor Utilization Plan;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If the Trust determines that the respondent has failed to document good faith efforts.

3.4.8 The successful respondent will be required to attempt to utilize, in good faith, any M/WBE identified within its Subcontractor Utilization Plan, during the

performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Trust, but must be made no later than prior to the submission of a request for final payment on the Contract.

3.4.9 The successful respondent will be required to submit a monthly Subcontractor Utilization Plan to the Trust.

3.4.10 Equal Employment Opportunity Requirements. By submission of a proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women OR Authority equivalent to Appendix A. The respondent is required to ensure that it and any subcontractors undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside of New York State.

3.4.11 If awarded a Contract, respondent shall submit a Workforce Utilization Form EEO-101 and shall require each of its Subcontractors to submit a Workforce Utilization Form EEO-101, in such format as shall be required by the Trust on a monthly basis during the term of the Contract. Further, pursuant to Article 15 of the Executive Law (the “NYS Human Rights Law”), Title 8 of the New York City Administrative Code, and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of actual or perceived age, race, creed, color, national origin, gender identity or expression, sexual orientation, predisposing genetic characteristics; military status, marital status, partnership status, domestic violence victim status, or alienage or citizenship status, and shall also follow the requirements of the NYS Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

3.5 SDVOB Requirements. Contractor Requirements and Procedures for Participation of Service Disabled Veteran-Owned Business.

3.5.1 SDVOB Requirements. The Division of Service-Disabled Veterans' Business Development (“DSDVBD”) is housed within the New York State Office of General Services (“OGS”) and is tasked with promoting and encouraging the continuing

economic development of Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Through the DSDVBD, the State of New York aims to assist service-disabled veterans in playing a greater role in the economy of the state and to provide additional assistance and support to disabled veterans to better equip them to form and expand small businesses, thereby enabling them to realize the American dream they fought to protect. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

3.5.2 In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Respondents are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

3.5.3 New York State Law. New York State Executive Law Article 17-B governs requirements for the participation of SDVOBs in New York State contracting. The objective of Article 17-B is to expand opportunities for SDVOBs, primarily through increased participation in New York State contracting. The DSDVBD maintains a Directory of NYS Certified SDVOBs. The directory is updated regularly with the addition of any newly certified SDVOBs or necessary changes requested by the listed SDVOBs or DSDVBD staff. State personnel and other interested parties may contact the DSDVBD and request they be added to a distribution list to receive the directory and its regular updates via email. The Directory of NYS Certified SDVOBs is also posted on the OGS website.

3.5.4 Contract Goals. The Trust hereby establishes an overall goal of 6% for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Respondent should reference the directory of New York State Certified SDVOBs found at: <http://ogs.ny.gov/Core/SDVOBA.asp>. Questions regarding compliance with SDVOB participation goals should be directed to Sean Singh at A5088RFP@hrpt.ny.gov. Additionally, following Contract execution, the selected Consultant is encouraged to contact the Office of General Services’ Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs on the Contract.

3.5.5 SDVOB Utilization Plan.

3.5.5.1 In accordance with 9 NYCRR § 252.2(i), Respondents are required to submit a completed SDVOB Utilization Plan on the Subcontractor Utilization Plan form attached hereto with their proposal. If Respondent’s proposed Subcontractor Utilization Plan provides for less than the stated goal in the RFP, Respondents must also submit an Application for Waiver of SDVOB Goal in support of the proposed goal.

3.5.5.2 The Subcontractor Utilization Plan shall list the SDVOBs that the Respondent intends to use to perform the Contract, a description of the work that the

Respondent intends the SDVOB to perform to meet the goals on the Contract an estimate of the percentage of Contract work the SDVOB will perform. By signing the Subcontractor Utilization Plan, the Respondent acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to the Trust.

3.5.5.3 The Trust will review the submitted SDVOB Utilization Plan and advise the Respondent of the Trust acceptance or issue a notice of deficiency within twenty (20) days of receipt.

3.5.5.4 If a notice of deficiency is issued, selected Respondent agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to the Trust a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Trust to be inadequate, the Trust shall notify the Respondent and direct the Respondent to submit, within five (5) business days of notification by the Trust, additional information to cure the noted deficiency. Failure to cure the noted deficiency in a timely manner may be grounds for disqualification of the proposal.

3.5.5.5 The Trust may disqualify a Respondent's proposal as being non-responsive under the following circumstances:

- (i) If a Respondent fails to submit an SDVOB Utilization Plan on the Subcontractor Utilization Plan Form;
- (ii) If a Respondent fails to submit a written remedy to a notice of deficiency;
- (iii) If a Respondent fails to submit a request for waiver; or
- (iv) If the Trust determines that the Respondent has failed to document good faith efforts.

3.5.5.6 If awarded a Contract, the Consultant shall certify that it will follow the approved Subcontractor Utilization Plan for the performance of SDVOBs on the Contract pursuant to the prescribed SDVOB contract goals set forth in the Contract.

3.5.5.7 Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Trust shall be entitled to any remedy provided herein, including but not limited to, a finding of Consultant's non-responsibility.

3.5.6 Request for Waiver. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Recipient at the Trust for guidance.

3.5.6.1 In accordance with 9 NYCRR § 252.2(m), a Respondent that is able to document good faith efforts to meet the goal requirements may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A Respondent may submit the request for waiver at the same time it submits its Subcontractor Utilization Plan. If a request for waiver is submitted with the Subcontractor Utilization Plan and is not accepted by the Trust at that time, the provisions of sections 3.5.5.3, 3.5.5.4 and 3.5.5.5 herein shall apply. If the documentation included with the Respondent's waiver request is complete, the Trust shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.

3.5.6.2 The selected Respondent shall attempt to utilize, in good faith, the SDVOBs identified within its Subcontractor Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Trust, but must be made no later than prior to the submission of a request for final payment on the Contract.

3.5.6.3 If the Trust, upon review of the Subcontractor Utilization Plan and Monthly SDVOB Compliance Report determines that Consultant is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, the Trust may issue a notice of deficiency to the Consultant. The Consultant must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

3.5.6.4 Waiver requests should be sent to the Trust.

3.5.7 Good Faith Efforts. In accordance with 9 NYCRR § 252.2(n), the Consultant must document its good faith efforts toward utilizing SDVOBs on the Contract and providing meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

- (1) Copies of solicitations to SDVOBs and any responses thereto.
- (2) Explanation of the specific reasons each SDVOB that responded to Respondent/Consultants' solicitation was not selected.
- (3) Dates of any pre-bid, pre-award or other meetings attended by Respondent/Consultant, if any, scheduled by the Trust with certified SDVOBs whom the Trust determined were capable of fulfilling the SDVOB goals set in the Contract.
- (4) Information describing the specific steps undertaken to reasonably structure the Contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.
- (5) Other information deemed relevant to the waiver request.

3.5.8 Monthly SDVOB Contractor Compliance Report. In accordance with 9 NYCRR § 252.2(q), the Consultant shall be required to report Monthly SDVOB Contractor Compliance to the Trust during the term of the Contract for the preceding month's activity, documenting progress made towards achieving the Contract SDVOB goals.

3.5.9 Breach of Contract and Damages. In accordance with 9 NYCRR § 252.2(s), any Contractor found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the Contract, shall be found to have breached the contract and Contractor shall pay damages as set forth therein.

3.6 Costs. The Trust shall not be liable for any cost incurred by the respondent in the preparation of its proposal or for any work or services performed by the respondent prior to the execution and delivery of the Contract. The Trust is not obligated to pay any costs, expenses, damages or losses incurred by any respondent at any time unless the Trust has expressly agreed to do so in writing.

3.7 The Trust Rights. This is a "Request for Proposals" and **not** a "Request for Bids". The Trust shall be the sole judge of whether a proposal conforms to the requirements of this RFP and of the merits and acceptability of the individual proposals. Notwithstanding anything to the contrary contained herein, the Trust reserves the right to take any of the following actions in connection with this RFP: amend, modify or withdraw this RFP; waive any requirements of this RFP; require supplemental statements and information from any respondents to this RFP; award a contract to as many or as few or none of the respondents as the Trust may select; accept or reject any or all proposals received in response to this RFP; extend the deadline for submission of proposals; negotiate or hold discussions with one or more of the respondents; permit the correction of deficient proposals that do not completely conform with this RFP; waive any conditions or modify any provisions of this RFP with respect to one or more respondents; reject any or all proposals and cancel this RFP, in whole or in part, for any reason or no reason, in the Trust's sole discretion. All proposals become the property of the Trust.

The Trust and its respective officers, directors, agents, members and employees make no representation or warranty and assume no responsibility for the accuracy of the information set forth in this RFP. Further, the Trust does not warrant or make any representations as to the quality, content, accuracy or completeness of the information, text, graphics, links or any other facet of this RFP once it has been downloaded or printed from any server, and hereby disclaim any liability for any technical errors or difficulties of any nature that may arise in connection with the Website on which this RFP is posted, or in connection with any other electronic medium utilized by respondents or potential respondents in connection with or otherwise related to the RFP.

3.10 Protest Procedures. The procedures set forth in this section shall apply to all

[INSERT OTHER SPECIAL PROVISIONS OR LIST DELETED PROVISIONS HERE.]

PART II
GENERAL TERMS AND CONDITIONS

ARTICLE I
PERFORMANCE OF SERVICES

- 1. Supervision by the Trust.** Services shall be subject to the general supervision and direction of the Trust or its authorized representative, whose decision shall be final and binding upon the Consultant as to all matters arising in connection with or relating to the Contract. Neither the Trust's exercise nor failure to exercise such supervision and direction shall relieve the Consultant of any of its obligations or responsibilities for its acts or failure to act with regards to the Contract. The Trust shall reasonably determine all matters relative to the fulfillment of the Contract on the part of the Consultant and such determination shall be final and binding on the Consultant.
- 2. Approvals or Acceptance by the Trust.** Whenever action is to be taken, or approval or acceptance given by the Trust, such action, approval or acceptance shall be deemed to have been taken or given, only if so taken or given by the Trust's representative, by the official of the Trust who signed the Contract on behalf of the Trust, or by another officer or employee of the Trust duly designated by such signing officer to represent the Trust in connection therewith. The Trust shall notify the Consultant in writing of the giving or withholding of each such approval or acceptance within a reasonable period of time. The Trust's acceptance or approval of documents or other materials prepared by the Consultant hereunder shall in no way relieve the Consultant of responsibility for such materials.
- 3. Consultant Cooperation.** The Consultant shall work with and exchange information with such entities or individuals in connection with the Services as the Trust shall designate from time to time, and agrees to meet with such entities or individuals at such times as the Trust may require in order to maintain an ongoing review process to expedite determinations and approvals required to be made in connection with the Services.
- 4. Contact Persons.** The Trust will designate in writing an individual who will serve as the Trust's representative and normal point of contact for the Consultant with regards to the Contract and the Consultant's Services and obligations hereunder. The Consultant shall designate in writing to the Trust one individual, satisfactory to the Trust, who shall be responsible for coordinating all Services to be rendered by the Consultant and who shall be the Trust's normal point of contact with the Consultant on matters relating to such Services. Such individual shall be replaced upon the Trust's written request. The Trust and Consultant may from time to time change this designation by notification to the other party.
- 5. Approval of Subcontractors and Subcontracts.** The Consultant shall not employ, contract with or use the services of any consultant, contractor, or other third party (collectively "**Subcontractor(s)**") in connection with the performance of its obligations under the Contract without the prior written consent of the Trust. The Consultant shall inform the Trust in writing of the name, proposed service to be rendered, and compensation of the Subcontractors, and of any interest it may have in the proposed Subcontractors. The Consultant shall be responsible for the performance of the Services of any Subcontractors engaged, including the maintenance of budgets, cost controls, and schedules, coordination of their work and resolutions of all differences between or among the Consultant and Subcontractors. It is expressly understood and agreed that all Subcontractors engaged by Consultant hereunder shall at all times be deemed engaged by the Consultant and not by the Trust. The

Consultant shall cause any Subcontractor employed by the Consultant in connection with the Contract to be bound to the terms and conditions of the Contract to the extent such terms and conditions are, or may be, applicable to such Subcontractors. All subcontracts held by the Consultant (“**Subcontracts**”) must include the following provisions:

- (a) there is no privity of contract between the Subcontractor and the Trust;
- (b) the Trust will not incur any liability by virtue of any act, omission, negligence, or obligation of the Subcontractor or the Consultant;
- (c) the Subcontractor shall indemnify, defend and hold harmless the Indemnitees (defined in Article V) against any and all claims, judgments or liabilities to which they may be subject (including, without limitation, any and all claims for injuries to persons (including death) and damage to property) because of any negligence or any fault or default of the Subcontractor, its agents, employees or subcontractors or the breach of the Subcontractor’s obligations under the Subcontract;
- (d) the Subcontractor’s payment requisitions shall conform to the same requirements for Consultant’s payment requisitions and include the representations and warranties set forth in Article III hereof;
- (e) the termination provisions for cause and convenience set forth in Article IV herein shall be included in the Subcontract;
- (f) the Subcontract may be assigned without the written consent of the Subcontractor to the Trust or any other corporation, agency or instrumentality having authority to accept the assignment; and
- (g) all services performed under the Subcontract shall strictly comply with the requirements of the Contract.

If the Consultant fails to include the provisions set forth in this Subsection 5 in any Subcontract, the Consultant hereby agrees to indemnify, defend and hold harmless the Trust and their representatives against any and all claims, damages, awards, judgments, liabilities, expenses, fines, penalties, costs and/or fees incurred by or imposed upon the Trust and their representatives, including reasonable attorney fees, as a result of said failure.

- 6. Consultant as Independent Contractor.** Notwithstanding any other provisions of the Contract, the Consultant’s status (and that of any Subcontractor) shall be that of an independent contractor and not that of an agent or employee of the Trust. Accordingly, neither the Consultant nor any Subcontractor shall hold itself out as, or claim to be acting in the capacity of, an employee or agent of the Trust.
- 7. Consultant to Obtain Permits.** Except as otherwise instructed in writing by the Trust, the Consultant shall obtain and comply with all legally required licenses, consents, approvals, orders, authorizations, permits, restrictions, declarations and filings required to be obtained by the Trust or the Consultant in connection with the Contract.
- 8. Consultant to Comply with Legal Requirements.** The Consultant, in performing its obligations and in preparing all documents required under the Contract, shall comply with all applicable laws and

regulations to be included in the Contract. All applicable laws and regulations shall be deemed to be included in the Contract with the same effect as if set forth in full.

- 9. Increase or Decrease in the Scope of Services.** The Trust shall have the right to make changes to, and/or increase or decrease the Scope of the Services or to extend the Term at any time and for any reason upon notice to Consultant specifying the nature and extent of such changes. In the event any such changes result in a reduction of the scope of services, the Maximum Contract Price will be correspondingly reduced to reflect the deleted services. In the event any such changes result in an additional expenditure of time by the Consultant or Subcontractors, the Trust and the Consultant shall negotiate an additional fee for such changes evidenced in an amendment to the Contract.

ARTICLE II **PAYMENT OF SERVICES**

1. Payments.

- (a) Subject to, and in accordance with this Article II, the Trust shall pay to the Consultant, and the Consultant agrees to accept in full consideration for the Services, and for all expenses of the Consultant in connection therewith, including Subcontractors' costs and reimbursable expenses, an amount not to exceed the Maximum Contract Price, payable in accordance with this Article II and as provided in Appendix C.
- (b) Requisitions shall be in a form reasonably acceptable to the Trust and shall be supported by any appropriate or necessary documentation or other evidence relating to the amounts set forth in the requisition as the Trust may reasonably require including, but not limited to invoices, receipts and vouchers from Subcontractors and suppliers, information related to M/WBEs, SDVOBs and Workforce Utilization Forms required under Appendix E and, where applicable, the time sheets and/or certified payroll reports of the Consultant's staff. Each requisition submitted to the Trust by the Consultant shall constitute a representation that, except as specifically set forth in the requisition, as of the date of the requisition, all representations and warranties made by the Consultant in Article III are true, complete and accurate as if made as of the date of the submission of the requisition. Thereafter, the Trust shall approve the requisition if the Services have been satisfactorily performed in accordance with the Contract.
- (c) The Consultant, with the Trust's prior approval, may exceed the maximum payment allocated to a particular portion of the Services if the Consultant by notice determines that the maximum payment initially allocated to the portion is insufficient to adequately perform the portion of the Services and if the Consultant demonstrates to the Trust a savings with respect to another portion of the Services which is at least equal to the amount of such excess. However, notwithstanding the above, in no event shall the Trust pay the Consultant more than the Maximum Contract Price.

- 2. Acceptance of Final Payment/Release and Discharge.** The acceptance by Consultant of the final payment under the Contract, or any final payment due on earlier termination of the Contract under Article IV, shall constitute a full and complete waiver and release of the Trust from any and all claims, demands and causes of action whatsoever that the Consultant, and/or its successors and assigns, have, or may have, against the Trust under the provisions of the Contract, unless a detailed and verified statement of claim is served upon the Trust not later than fifteen (15) days after the making of the final payment. In the absence of a verified statement of claim, if the Consultant performs Services that involve maintenance, repairs or minor construction, the Consultant must supply the Trust with lien waivers for itself and its Subcontractors along with its request for final

payment. It is expressly understood and agreed that the Trust's or Consultant's termination of the Contract pursuant to Article IV hereof shall not give rise to any claims against the Trust for damages, compensation, or otherwise as a result of such termination, and that under such circumstances, the Trust's liability to make payments to Consultant on account of any and all Services shall be limited to the payments set forth in this Article II and as provided in Appendix C.

ARTICLE III **REPRESENTATIONS AND WARRANTIES**

1. Representations and Warranties.

- (a) The Consultant represents and warrants to the Trust that:
- (i) no public official is directly or indirectly interested in the Contract, or in the supplies, materials, equipment, work, labor or Services to which it relates or in any of the profits thereof;
 - (ii) except as set forth in the Contract, the Consultant has, and shall have, no interest, direct or indirect, in the project to which the Services relate;
 - (iii) to the best of its knowledge, upon due inquiry, no officer, member, partner or employee of the Consultant has, prior to the date of the Contract, been called before a grand jury, head of a state agency, head of a city department or other city agency to testify in an investigation concerning any transaction or contract had with the State of New York, any political subdivision thereof, a public authority, or with any public department, agency or official of the State of New York or of any political subdivision thereof and refused to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract; and
 - (iv) it has not employed any person, trust or partnership to solicit or procure the Contract, and has not made, and will not make, any payment or agreement for the payment of any commission, percentage, brokerage, or contingent fee, or other compensation in connection with the procurement of the Contract.
- (b) The Consultant represents and agrees that:
- (i) recognizing that time for completion of the Services is of the essence, the Consultant shall perform all of its obligations hereunder in a prompt, efficient and professional and/or workman like manner with the skill and care of similarly licensed professionals and in accordance with the time periods for the Services set forth herein;
 - (ii) The Consultant, its personnel assigned to perform the Services, and any Subcontractors engaged by the Consultant in the performance of the Consultant's obligations hereunder are qualified in all respects for such assignment and have the experience and expertise in projects of similar scope and complexity to the Services. All such assigned personnel and Subcontractors are subject to approval by the Trust, which approval shall not be unreasonably withheld, and the Trust may direct the Consultant to replace assigned personnel at any time; the Consultant's personnel assigned to perform the Services shall be available to the Trust during normal working hours and at other times as may be additionally needed upon notice from the Trust for project meetings, public meetings, site supervision, field visits and inspections;
 - (iii) The Consultant, in the performance of its obligations hereunder, shall utilize efficient available methodology and technology for the purpose of reducing the cost and time of such performance;

- (iv) The Consultant shall use good faith efforts to protect and further the Trust's interests in performing such Services recognizing the need for trust and confidence in the relationship between the Consultant and the Trust with regards to the Services to be performed hereunder;
- (v) The Consultant shall comply with the provisions of all Federal, State and local statutes, laws, rules, ordinances and regulations that are applicable to the performance of the Contract;
- (vi) The Consultant shall diligently render to the Trust any and all assistance which may be required by the Trust should any claim be made or any action be brought against the Trust which states a cause of action related to the Services; and
- (vii) The Consultant shall not commit its personnel to, nor engage in, any other projects during the term of the Contract to the extent that such projects may adversely affect the quality or efficiency of the Services or would otherwise be detrimental to the conduct and completion of the Services, and the Consultant shall provide sufficient numbers of qualified personnel as shall be required to perform the Services in the time requested by the Trust.

2. Conflict of Interest. Consultant represents and warrants that:

- (a) Consultant has not now, and will not, for a period of one (1) year following expiration of the Contract, acquire any interest, direct or indirect, present or prospective, in the project to which the Consultant's work relates or the real estate which is the subject of the project, has not employed and will not knowingly employ in connection with work to be performed hereunder any person or entity having any such interest during the Term of the Contract.
- (b) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust or any of its subsidiaries to share in any benefits that arise from the Consultant's work.
- (c) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust, or any of its subsidiaries to participate in any decision relating to the Contract that affects the personal interest of the aforementioned individuals, or the interests of any Trust, partnership, or association in which those individuals are directly or indirectly interested; nor shall any officer, agent, director or employee of the Trust, or any of its subsidiaries be permitted by the Consultant to have any interest, direct or indirect, in the Contract or the proceedings thereof.
- (d) Consultant shall cause, for the benefit of the Trust, every contract or agreement with any Subcontractor to include the representations contained in subsections (a), (b), and (c) of this Subsection 2. The Consultant shall take such action in enforcing such provisions as the Trust may direct, or, at Consultant's option, assign such rights as it may have to the Trust for enforcement by the Trust.

ARTICLE IV
DELAYS, SUSPENSION OF SERVICES, TERMINATION

- 1. Notice of Overruns and Delays.** The Consultant shall promptly give written notice to the Trust representative of the occurrence of an event or action, the discovery of a condition or the failure of an event or action to occur or a condition to exist as anticipated, that may result in an increase in (a) the compensation due Consultant; (b) reimbursable expenses and/or; (c) the number of hours necessary to perform the work or which may delay completion of the work (or extend the completion date). For

purposes of this provision, “promptly” shall mean as soon as possible but in no event more than (3) business days after Consultant’s discovery of the occurrence, condition or failure which gives rise to the subject increase and/or delay.

2. **Disputes.** If at any time the Consultant believes that there is: (1) a condition that will entitle it to additional compensation; (2) a change in the schedule for completion of the Services; or (3) another issue arising out of terms, conditions, or the respective parties’ fulfillment of their obligations under the Contract (“**Dispute**”), within fifteen (15) days after the Consultant has knowledge or should have known of the occurrence of a Dispute, the Consultant shall deliver a written notice to the Trust stating the general nature of such Dispute. Senior executives of the parties shall negotiate in good faith to resolve any Disputes. Pending the resolution of any Dispute, the Consultant shall diligently continue to perform all Services under the Contract, including the Services that are the subject of such Dispute. Written notification and good faith negotiation shall be a condition precedent to the maintenance of any legal proceeding. The Consultant shall represent that it has complied with the condition precedent in its initial notice and pleading in any legal proceeding instituted by the Consultant or by the Trust.

3. **Suspension of Services.** The Trust may, at any time and for any reason and by written notice thereby (“**Suspension Notice**”), direct the Consultant to delay or suspend the services or any part thereof under the Contract for a period of time not to exceed ninety (90) days. The Suspension Notice shall specify the period during which such services are to be delayed or suspended. The Contract shall automatically terminate after ninety (90) days’ suspension or delay unless the Trust and the Consultant agree in writing to continue the Contract upon the same or newly negotiated terms, and the Trust and the Consultant execute a “Release of Claims” with regards to the period of suspension or delay. The Consultant shall resume such services upon the date the Trust may thereafter specify in writing upon reasonable notice to Consultant. If the Contract is delayed, suspended or terminated, the Consultant shall be entitled upon such delay, suspension or termination to payment of that portion of the fee and reimbursable costs that have not been paid to Consultant commensurate with the Services actually and satisfactorily performed by the Consultant prior to the date of delay, suspension or termination. The Consultant shall not be entitled to any fee during the period of delay or suspension unless the Trust, in its sole and absolute discretion, decides that the payment (and amount) of a fee is reasonable under the particular circumstances that gave rise to the suspension or delay.

4. **Termination for Convenience.** The parties acknowledge that the Trust may, at any time for the Trust’s convenience and without cause, terminate the Contract without incurring any penalty or damages on account of such termination upon seven (7) days’ written notice to the Consultant. In the event of such termination, the Trust shall pay the Consultant for services actually and satisfactorily performed by Consultant up to the date of such termination plus Trust-approved out-of-pocket expenses incurred by the Consultant. The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for convenience clause consistent with the provisions of this Subsection 4.

5. **Default by Consultant.** The Trust may terminate the Contract for cause, including:
 - (a) a material breach of any covenant or agreement contained in the Contract;
 - (b) if the Consultant shall default in the timely performance of any of its obligations under the Contract and such default shall continue for a period of three (3) days after written notice from the Trust specifying the occurrence, omission or failure giving rise to such default, or if in the opinion of the Trust, by reason of the nature of such default, such default cannot be cured

within such three (3) day period and the Consultant has not promptly prosecuted the curing of such default;

- (c) any representation or warranty made or deemed to have been made under the Contract by the Consultant shall prove to be untrue in any material respect; or
- (d) the Consultant shall make a general assignment for the benefit of its creditors, or a receiver or trustee shall have been appointed on account of Consultant's insolvency, or Consultant otherwise shall be or become insolvent, or an order for relief shall have been entered against Consultant under Chapter 7 or Chapter 11 of Title 11 of the United States Bankruptcy Code.

In addition to any other remedies or claims that the Trust may have with respect to such representation or such default, the Trust may terminate the Contract immediately upon three (3) days' written notice to the Consultant. In the event of such termination, the Trust, without waiving any such remedy or claims, (including consequential damages) shall pay the Consultant that portion of the fee and reimbursable costs, not paid to the Consultant, commensurate with those Services actually and satisfactorily performed by the Consultant up to the date of such termination, provided, however, that the Trust shall deduct from any amounts due to the Consultant for additional costs and expenses that the Trust may incur in connection with the completion of the Services by another contractor(s) or consultant(s).

The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for default clause consistent with the provisions of this Subsection 5.

6. Discontinuance of Services Upon Termination. Upon termination of the Contract the Consultant shall:

- (a) discontinue all its Services from and after the date of the notice of termination, except as may be required to complete any item or portion of services to a point where discontinuance will not cause unnecessary waste or duplicative work or cost as directed by the Trust;
- (b) cancel, or if so directed by the Trust, assign to the Trust any and all commitments and agreements made by the Consultant relating to the Services to the extent same are cancelable or assignable by the Consultant.
- (c) transfer to the Trust in the manner, to the extent, and at the time directed by the Trust, all supplies, materials and other property produced (including warranties) as a part of, or acquired in, the performance of the Services; and
- (d) take any other actions as the Trust may reasonably direct.

ARTICLE V
INDEMNIFICATION AND INSURANCE

- 1. Indemnification.** Notwithstanding anything to the contrary contained herein, the Consultant shall be responsible for all injuries to persons, including death, or damage to property sustained while performing or resulting from the Services under the Contract, if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or Subcontractors, or their employees, agents, servants, independent contractors or subcontractors retained by Consultant pursuant to the Contract. Consultant agrees to defend, indemnify and hold the Trust, the State of New York, the New York State Office of Parks, Recreation and Historic Preservation, the New York State

Department of Environmental Conservation, the City of New York, the New York City Department of Parks and Recreation and each of their respective commissioners, directors, officers, agents and employees (collectively the “**Indemnitees**”) harmless from any and all claims, judgments and liabilities, including but not limited to claims, judgments and liabilities for injuries to persons (including death) and damage to property if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or its Subcontractors, or their agents, employees, servants, independent contractors and subcontractors and from any claims against, or liability incurred by the Indemnitees by reason of claims against Consultant or its Subcontractors, or their employees, agents, servants, independent contractors and subcontractors for any matter whatsoever in connection with the Services performed under the Contract, including, but not limited to, claims for compensation, injury or death, and agree to reimburse the Indemnitees for reasonable attorney’s fees incurred in connection with the above. Consultant shall be solely responsible for the safety and protection of all its Subcontractors, or the employees, agents, servants, independent contractors, or subcontractors of Consultant or its Subcontractors, and shall assume all liability for injuries, including death, that may occur to said persons due to the negligence, fault or default of Consultant, its Subcontractors, or their respective agents, employees, servants, independent contractors or subcontractors.

This Subsection 1 shall survive the expiration or earlier termination of the Contract.

2. **Insurance.** At all times during the performance of the Services or for such other time periods as the Trust may require, the Consultant, at its sole cost and expense, shall purchase and maintain the insurance described in Appendix D unless the Trust determines, in its sole and absolute discretion, that such insurance limits warrant a reduction due to a material change in the Project or the Services.

ARTICLE VI **DOCUMENTS, CONFIDENTIALITY AND RECORDS**

1. Ownership of Documents.

- (a) All originals, negatives, and electronic copies of all plans, drawings, reports, photograph, charts, programs, models, specimens, specifications, and other documents or materials required to be furnished by the Consultant under the Contract including drafts and reproduction copies thereof (“**Documents**”), shall be and remain the exclusive property of the Trust, and the Trust shall have the right to publish, transfer, sell, license and use all or any part of such reports, plans, drawings, specification and other documents without payment of any additional royalty, charge or other compensation to the Consultant. If the Documents are altered by the Trust or its agents, the Trust holds the Consultant harmless from any liability for such use.
- (b) The Consultant agrees that it shall not publish, transfer, license or, except in connection with carrying out its obligations under the Contract, use or reuse all or any part of the Documents, excluding the Consultant’s “**Underlying Intellectual Property**” (as defined hereinafter), without the prior written approval of the Trust, except that the Consultant may retain copies of such reports and other documents for general reference use.
- (c) The Consultant’s Underlying Intellectual Property means the analytical concepts, approaches, methodologies, or formats developed by the Consultant’s staff, and other materials not prepared for delivery to the Trust and also includes any derivatives, improvements, enhancements or extensions of the Consultant’s Underlying Intellectual Property conceived, reduced to practice, or developed during the Term of the Contract that are not uniquely applicable to the Documents prepared for the Trust under the Contract.

- (d) The Consultant represents and warrants that, except for material which is in the public domain and non-original material, the Documents:
- (i) shall be wholly original material not published elsewhere, except for Underlying Intellectual Property included therein;
 - (ii) shall not violate any copyright, trademark or other applicable law; and
 - (iii) shall not, to the best of Consultant's knowledge, constitute a defamation or invasion of the right of privacy or publicity, or an infringement of any kind, of any rights of any third party.
- (e) The Consultant shall not make any unauthorized use of copyrighted, trademarked or other protected materials or intellectual property and agrees to defend, indemnify and hold harmless the Trust and their respective officers, officials, agents, members, directors, and employees against any damage or liability arising out of the Consultant's infringement or unauthorized use of any such material or property.

2. **Confidentiality.** The Consultant hereby agrees that all documents, data, recommendations, reports and other materials developed in the course of the Services authorized by the Contract are strictly confidential between the Consultant and the Trust and the Consultant may not at any time reveal or disclose such materials in whole or in part to any third party without first obtaining written permission from the Trust. Notwithstanding the preceding sentence, the Consultant shall cooperate fully with such third parties as the Trust may designate by written request.
3. **Maintenance, Audit and Examination of Records.** Pursuant to Section 10 of the Standard Clauses for NYS Contracts (attached hereto as Appendix A), the Consultant and its Subcontractors must maintain their respective books and records for examination and audit as specifically detailed therein. In the event of non-compliance thereof, the Trust shall not pay the Consultant any portion of the fee then due or becoming due, as the case may be, with respect to such non-compliance, and if such fee has already been paid, the Trust may require the Consultant to refund such fee. In addition, the Consultant shall be responsible for any audit costs incurred by the Trust as a result of such non-compliance.
4. **PASSPort (formerly, VENDEX).** The Consultant shall provide the Trust with a list of all Subcontractors employed for the performance of the Services whose subcontract amount totals \$25,000 or more. The Consultant will furnish each such Subcontractor whose subcontract amount totals \$100,000 or more with the information for creating an account on and submitting information through the Mayor's Office of Contracts Services Procurement and Sourcing Solutions Portal (PASSPort). The Consultant shall cause each such Subcontractor to complete the required PASSPort background and disclosure submissions in a timely fashion but in no event later than the commencement of the Services performed by such Subcontractor pursuant to its subcontract.

ARTICLE VII

OTHER STANDARD PROVISIONS

1. **No Waiver.** Failure by the Trust to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial performance during the continuance of any such breach shall constitute a waiver of any such breach or such term or condition. No term or condition of the Contract to be performed or complied with by Consultant, and no breach thereof, shall be waived, altered or modified except by a

written instrument executed by the Trust. No waiver of any breach shall affect or alter the Contract, but each and every term and condition of the Contract shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. Consultant hereby waives any and all rights and remedies to which Consultant might otherwise be or become entitled to because of any wrongful act or omission of the Trust saving only Consultant's right to money damages.

2. **Provisions Required by Law Deemed Inserted.** Each and every provision of law and governmental regulation required by law to be inserted in the Contract shall be deemed to be inserted therein and the Contract shall read and enforced as though so included therein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the Contract shall be deemed to be amended to make such insertion or correction. If the Contract contains any unlawful provision, the same shall be deemed of no effect and shall, upon the application of either party, be deemed stricken from the Contract without affecting the binding force of the remainder.
3. **Reimbursement of Legal Fees.** In the event that Consultant and the Trust are involved in a legal proceeding relating to any part of the Contract, Consultant shall reimburse the Trust for all costs associated with said legal proceeding, including, but not limited to, court costs and reasonable attorney's fees incurred by the Trust where: (1) during said legal proceeding, a final determination by a neutral third party finds the Consultant to have materially breached the terms of the Contract; or (2) Consultant initiates said legal proceedings against the Trust and/or its directors, officers, or employees and Consultant does not prevail in such action.
4. **Assignment by the Trust.** The Trust may transfer and assign any and all of its rights and obligations under the Contract, including transferring and assigning its rights to the Consultant's performance of any portion of the Services provided for herein, together with the Trust's obligations and rights pertaining to such portion of Services, to any partnership, trust, governmental agency or department or other entity that the Trust determines has undertaken or will undertake any part of the Contract. The Trust shall provide the Consultant written notice of any such transfer and assignment. Such transfer and assignment shall relieve the Trust of any further liability or obligation hereunder.
5. **Entire Agreement/Amendment.** The Contract constitutes the entire agreement between the parties hereto and no statement, promise, condition, understanding, inducement, or representation, oral or written, express or implied, which is not contained in the Contract shall be binding or valid and the Contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by the parties hereto.
6. **Interests of Others.** Nothing in the Contract shall be construed to give any person other than the Trust and Consultant any legal or equitable right, remedy or claim. The Contract shall be held to be for the sole and exclusive benefit of the Trust and Consultant.
7. **Modification.** No change, termination or attempted waiver of any of the provisions of the Contract shall be binding unless evidenced in a writing signed by both parties.
8. **Severability.** If any term or provision of the Contract or the application thereof to any person or in any circumstance shall to any extent be determined to be invalid or unenforceable, the remaining provisions of the Contract, or the application of such terms or provisions to persons or circumstances other than those as to which it is found to be invalid or unenforceable, shall in no way be affected thereby, and each term and provision of the Contract shall be valid and binding upon the parties, and enforced to the fullest extent permitted by law.

9. **Counterparts and Captions.** The Contract may be executed in one or more counterparts, each of which shall be deemed to be an original. Captions contained in the Contract are inserted only as a matter of convenience and shall not affect the construction or interpretation of any of the provisions hereof.

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section

239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or Trust has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”) thereby further integrating such businesses into New York State’s economy. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

I. Contract Goals

For purposes of providing meaningful participation by SDVOBs, the Consultant should reference the directory of New York State Certified SDVOBs found at: <http://ogs.ny.gov/Core/SDVOBA.asp>. Questions regarding compliance with SDVOB participation goals should be directed to the Capital Contract Administrator at Ssingh@hrpt.ny.gov. be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Subcontractor Utilization Plan, the Consultant acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Subcontractor Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised Subcontractor Utilization Plan and submitted to the Trust.

- B. The Trust will review the submitted Subcontractor Utilization Plan and advise the Consultant of the Trust's acceptance or issue a notice of deficiency within twenty (20) days of receipt.
- C. If a notice of deficiency is issued, Consultant agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to the Trust a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Trust to be inadequate, the Trust shall notify the Consultant and direct the Consultant to submit, within five business days of notification by the Trust, additional information to cure the noted deficiency. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- D. Consultant agrees that a failure to use SDVOBs as agreed in the Subcontractor Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Trust shall be entitled to any remedy provided herein.

III. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Consultant shall speak to the Designated Contacts at the Trust for guidance.

- D. If the Trust, upon review of the monthly Actual Subcontractor Utilization Plan, determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, the Trust may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.
