Subject to and in accordance with the final terms of the Contract, the Trust shall compensate the selected Contractor as follows:

The Maximum Contract Price shall be the maximum compensation for all of the Services provided by the Contractor pursuant to the Contract and all expenses of the Contractor in connection therewith, including costs of any SubContractors. The Maximum Contract Price shall be payable as provided in Article II of the Contract and Appendix C of the Contract.

Sales and Use Tax. The Trust is exempt from state and local sales and use tax. SUCH TAX IS NOT TO BE INCLUDED IN PROPOSALS or in invoices submitted under the Contract. The Trust will provide the selected Contractor with an appropriate “sales and use tax exemption certificate”.

3. GENERAL CONDITIONS, TERMS, LIMITATIONS AND REQUIREMENTS

Proposal as Offer to Contract. Unless a specific exception is noted by the Trust, submission of a proposal in response to this RFP shall constitute an offer on the part of the successful respondent to execute the Contract substantially in the form accompanied with this RFP as Exhibit 6. Any supporting documents or other items attached as exhibits to this RFP shall be incorporated into the Contract. The successful respondent shall cooperate in supplying any information as may be required by the Trust for background clearance, which is available on the PASSPort website at <https://www1.nyc.gov/site/mocs/systems/about-go-to-passport.page>, and any other government review and approval forms. Respondent’s proposal shall remain open for acceptance by the Trust and shall remain firm and binding upon the respondent for at least sixty (60) days after the date on which the proposals are received by the Trust, except that the Trust may by written notice to the respondent extend that date for an additional forty-five (45) days.

Freedom of Information Law. All proposals submitted to the Trust in response to this RFP may be disclosed in accordance with the standards specified in the Freedom of Information Law, Article 6 of the Public Officers Law of the State of New York (“FOIL”). A respondent may provide in writing, at the time of its submission, a detailed description of the specific information contained in its submission which it has determined is a trade secret and which, if disclosed, would substantially harm such entity’s competitive position. This characterization shall not be determinative, but will be considered by the Trust when evaluating the

applicability of any exemptions in response to a FOIL request.

Equal Employment Opportunity Requirements. By submission of a proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of the Contract's Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subContractors awarded a subcontract for the work, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside of New York State.

If awarded a Contract, respondent shall submit a Workforce Utilization Form EEO-101 and shall require each of its SubContractors to submit a Workforce Utilization Form EEO-101, in such format as shall be required by the Trust on a monthly basis during the term of the Contract. Further, pursuant to Article 15 of the Executive Law (the "NYS Human Rights Law"), Title 8 of the New York City Administrative Code, and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subContractors will not discriminate against any employee or applicant for employment because of actual or perceived age, race, creed, color, national origin, gender identity or expression, sexual orientation, predisposing genetic characteristics; military status, marital status, partnership status, domestic violence victim status, or alienage or citizenship status, and shall also follow the requirements of the NYS Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Costs. The Trust shall not be liable for any cost incurred by the respondent in the preparation of its proposal or for any work or services performed by the respondent prior to the execution and delivery of the Contract. The Trust is not obligated to pay any costs, expenses, damages or losses incurred by any respondent at any time unless the Trust has expressly agreed to do so in writing.

The Trust Rights. This is a "Request for Proposals" and **not** a "Request for Bids". The Trust shall be the sole judge of whether a proposal conforms to the requirements of this RFP and of the merits and acceptability of the individual proposals. Notwithstanding anything to the contrary contained herein, the Trust reserves the right to take any of the following actions in connection with this RFP: amend, modify or withdraw this RFP; waive any requirements of this RFP; require supplemental statements and information from any respondents to this RFP; award a contract to as many or as few or none of the respondents as the Trust may select; accept or reject any or all proposals received in response to this RFP; extend the deadline for submission of proposals; negotiate or hold discussions with one or more of the respondents; permit the correction of deficient proposals that do not completely conform with this RFP;

waive any conditions or modify any provisions of this RFP with respect to one or more respondents; reject any or all proposals and cancel this RFP, in whole or in part, for any reason or no reason, in the Trust's sole discretion. The Trust may exercise any such rights at any time, without notice to any respondent or other parties and without liability to any respondent or other parties for their costs, expenses or other obligations incurred in the preparation of a proposal or otherwise. All proposals become the property of the Trust.

Proposals From Principals. Only proposals from principals and authorized officers will be considered responsive.

Disclaimer. The Trust and its respective officers, directors, agents, members and employees make no representation or warranty and assume no responsibility for the accuracy of the information set forth in this RFP. Further, the Trust does not warrant or make any representations as to the quality, content, accuracy or completeness of the information, text, graphics, links or any other facet of this RFP once it has been downloaded or printed from any server, and hereby disclaim any liability for any technical errors or difficulties of any nature that may arise in connection with the Website on which this RFP is posted, or in connection with any other electronic medium utilized by respondents or potential respondents in connection with or otherwise related to the RFP.

Protest Procedures. Any protests related to this procurement shall follow the procedures set forth in Exhibit 7.

4. VENDOR RESPONSIBILITY

This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).

MWBE AND SDVOB
Requirements

I. Contractor Requirements and Procedures for Participation by New York State Certified Minority and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women.

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, the Trust is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“M/WBEs”) and the employment of minority group members and women in the performance of the Trust contracts.

Business Participation Opportunities for MWBEs. For purposes of this Contract, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by MWBEs as subcontractors, service providers, and suppliers to the Consultant. Nevertheless, Respondents are encouraged to make good faith efforts to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials. The directory of New York State Certified MWBEs can be found at <https://ny.newnycontracts.com>.

Additionally, respondents are encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.”

II. SDVOB Requirements. Contractor Requirements and Procedures for Participation of Service Disabled Veteran-Owned Business.

SDVOB Requirements. The Division of Service-Disabled Veterans' Business Development (“DSDVBD”) is housed within the New York State Office of General Services (“OGS”) and is tasked with promoting and encouraging the continuing economic development of Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Through the DSDVBD, the State of New York aims to assist service-disabled veterans in playing a greater role in the economy of the state and to provide additional assistance and support to disabled veterans to better equip them to form and expand small businesses, thereby enabling them to realize the American dream they fought to protect. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Respondents are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

New York State Law. New York State Executive Law Article 17-B governs requirements for the participation of SDVOBs in New York State contracting. The objective of Article 17-B is to expand opportunities for SDVOBs, primarily through increased participation in New York State contracting. The DSDVBD maintains a Directory of NYS Certified SDVOBs. The directory is updated regularly with the addition of any newly certified SDVOBs or necessary changes requested by the listed SDVOBs or DSDVBD staff. State personnel and other interested parties

may contact the DSDVBD and request they be added to a distribution list to receive the directory and its regular updates via email. The Directory of NYS Certified SDVOBs is also posted on the OGS website.

Contract Goals. For purposes of this procurement, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Consultant. Nevertheless, Respondents are encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <http://ogs.ny.gov/Core/SDVOBA.asp>. Additionally, respondents are encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract

SCOPE OF WORK

Composting Vessel Procurement

Location: Hudson River Park

Background:

Hudson River Park Trust operates a compost facility that processes in excess of 2,500 lbs. of food scraps per week. The Trust receives the food waste primarily from the 10 community drop off sites located throughout the 4.5-mile park along with food scraps generated in the internal office kitchens. At the Trust's compost center, all of its landscape waste combined with the food scraps are processed. The Trust is now at capacity with the existing vessel and is seeking proposals to provide an enclosed composting system that will support our ongoing organic waste while providing increased capacity in the future.

The present-day processing site is approximately 11,600 sq. ft. (58' x 200') and is located at W.32nd St. with Route 9A to the east and the Hudson River to the west. The area's surface is comprised of asphalt and the site contains five different bays for stockpiling debris in various stages of decay. The Trust uses a Bobcat 595 skid steer to move materials around and a Morbark wood chipper to breakdown woody plant material. The existing infrastructure includes city supplied fresh water hook up and three phase electric.

Scope of Work:

In-Vessel Requirements:

- Needs to process all waste as a continuous flow. Waste will be added and removed from the system on a regular basis.
- Entirely enclosed and made of non-corrosive material.
- Fully automated aeration or mixing system.
- Have a filtration system to reduce odor.
- Able to handle a minimum of 7,500lbs of organic waste per week.
- If one vessel is unable to support the expected capacity then proposals may include multiple vessels.
- Have temperature ports or sensors for monitoring.
- Contain sealed openings to deter rodents.
- Provide a list of any optional features.

Service Support

- Provide installation cost estimates.
- Provide an on-site service package. Detail expenses that will be included.
- Proposal for on-site staff training.

Submissions:

- On dated letterhead, provide itemized quote for vessel, components, optional features and any service support described above. Include freight charge.

A Protest will be considered submitted when the Protest is received by the Trust.
