

REQUEST FOR PROPOSALS

A5380 – Parkwide Testing and Inspection Services

Description: The Hudson River Park Trust ("Trust") is pleased to invite you to submit a proposal in response to this Request for Proposals ("RFP") for Parkwide Testing and Inspection Services. The Trust seeks to retain a professional Testing Laboratory / Inspection for on-site and/or laboratory quality control inspections and field testing to support construction work within the Hudson River Park, extending from Chambers to West 59th Street along Manhattan's West Side. Typical services would include, but not be limited to, provision of field-controlled inspections involving sub-grade preparation, soil placement, welding, steel bar reinforcement, cast-in-place and pre-cast concrete, structural steel, hot mix asphalt paving, concrete paving, and other services as required, including written inspection reports prepared by a New York State Professional Engineer.

Documents will be available on August 27, 2024. Interested firms may request the RFP by sending a completed RFP Request Form, attached hereto, to the RFP email listed below.

The Trust is an equal opportunity contracting agency. Any resulting contracts will include provisions mandating compliance with Executive Law Article 15A and the regulations promulgated there under.
