

1. Can you provide a general site map or plan for the entire project? **Attached.**
 2. Is the mulch schedule broken down monthly for the 5 segments? The RFP states mulch is performed annually April-October **Mulch will be performed as needed. The work would generally be performed during the months of April-October. Mulch is not always applied every year.**
 3. Are you able to provide a rough figure for the cubic yards of mulch needed annually? **N/A**
 4. What is an example of a Trust approved container for debris removal? **Dump Truck, bags.. Trust needs to approve disposal methods.**
 5. Is the irrigation in the median for the highway on a set schedule? **There is no longer any irrigation in the median or buffer areas. It is not functional.**
 6. What is one continuous work cycle considered for tasks like weeding and mulch? Do you want it done daily until the work is completed? **The expectation is once a task is performed it is done daily until finished unless delayed due to weather or other circumstances. Trust needs to be notified of any delay.**
-
- 1) Please provide PRC number or provide prevailing wage schedule that corresponds to this requisition. **Contractor must follow all applicable NY State and NYC laws regarding prevailing wage schedules for the work being performed.**
 - 2) Please clarify to what extent/ which segments contractors are allowed to use weed whackers on. **Contractors should expect to manually weed all areas of the medians and buffers. With Trust approval the Contractor on occasion, may be allowed to use a string trimmer where areas in the buffer and median are bare of wanted plant material.**
 - 3) Aside for herbicide applicator permit, what other permits are needed? Is an NYSDOT permit needed for large trucks coming onsite? **Any permits required for lane closures, chemical applications, etc.. are the responsibility of the Contractor.**
-
1. Also, kindly tell me when this was last bided out and awarded to, along with numbers? **Last RFP was awarded March of 2021 to Dragonetti Brothers Landscaping for 4 years at a total contract price of \$1,875,304.**
